

## WEATHERPROOF RANGE

**In addition to our normal range of Switchboards and Motor Control Centres, we are able to manufacture weatherproof versions.**

Our cubicle design has been successfully tested for ingress protection (IP Rating) by the British Standards Institution.

Recent projects for weatherproof equipment have included:

### **Motor Control Centres**

- ✓ Steel Industry
- ✓ Industrial Gas Plants
- ✓ Water Treatment Plants

### **LV. Switchboards for:**

- ✓ Industrial Gas Plants
- ✓ Water Treatment Plants
- ✓ Quarries
- ✓ Manufacturing Industry

### **Roof mounted Cast Resin Transformer**

- ✓ Retail Sector
